And this is the last OH-- I swear! I make the relationships between Taylor Amanda and Anna much clearer-- you know that Taylor isn't quite right and has supernatural abilities.

I also introduce Julian at the party where Anna is with Taylor and Amanda-- with Anna thinking Taylor is the Nyx-- the cursed girl-/ and trying to save Julian from her clutches.

Ok I'll stop now... I'm very excited obviously! Let me know what I can do to help as you review:) :)
